

our ref:            Tel.no.: +49-621-5709-6213            Ludwigshafen, 29. April 2013

Dear Sirs,

according to your request we are going to inform you:

1. According to the German Standard we do not use AZO-dyestuff. This can also be confirmed for products which have been delivered from us in former times.
2. The materials delivered from us contain no unhealthy substances and we use no raw material which contains Mono-, Di-, Tributyltin, CFC (chloro fluoro carbons), nitrogenous compounds, Formaldehyde and its derivatives, Nickel, Heavy Metals, Chromium (VI) or aromatic amines.
3. Our materials contain no PCP (Pentachlorophenol) according German Law “(PCP-V9)” dated 25.05.2000 and no asbestos.

Best regards

i.V. Jörg Wottawa
